September 16, 2021

To whom it may concern:

The following addendum was added to the 2021-2022 MSD of Shakamak Return to School plan with approval by the MSD of Shakamak Board of Trustees on September 16, 2021:

Beginning September 13, 2021, the MSD of Shakamak will require students, faculty, and staff to follow the Greene County Department of Health's recommendations for social distancing and mask wearing within the school building, until a time when the Covid 19 pandemic has subsided to a point when school operations may return to normal.

Sincerely,

Jeff Gambill, M.S.D. of Shakamak superintendent
